**WE NEED A PLAN FOR
AGING IN NEVADA.**

NOT A PLAN FOR THE AGED.

REMEMBERING...

- Aging Services Directors Organization (ASDO) founded in 1982 by Myla Florence, Nevada Administrator of Aging Services.
- Goal to set up a network of city, county, state and private organizations that worked with the older adult communities in Nevada.
- Agencies and organizations to meet and share their ideas and services in order to better serve seniors.

REMEMBERING...

- Meet and share information about programs for seniors. Share contact and referral information to make programs more accessible to communities.
- In October each year, ASDO has sponsored a Caregiver's Conference with CEU's offered and many speakers have shared beneficial information over the years.

THE TORCH HAS PASSED...

- ASDO to Nevada Senior Services
- Special thank you to ASDO leadership

LUCY PERES AWARD

PRESENTED BY

Dena Schmidt

Administrator Aging and Disability Services Division,
Nevada Department of Health and Human Services

LUCY PERES AWARD

This award in the name of Lucy Peres is meant to honor and recognize her many contributions in the aging services community.

Lucy Peres was a great leader who passionately served the Las Vegas community. After her retirement from the state of Nevada, she actively advocated for senior rights.

She was a past president of the Las Vegas Chapter of the National Silver Haired Congress, and was chairperson of the ASDO at the time of her death in 2015.
